Dear Parent/Carer,

On Wednesday 9th January, year 5 will be granted the opportunity to work alongside traffic police officers checking the speed of drivers along Whitmore Way.

Children will be working outside in groups of no more than 10 for around 30 minutes and will have the opportunity to question any drivers that are caught speeding by the traffic police officer.

There will be an adult from the school stationed outside at all times with the ten children as well as an adult from the school taking the children to and from the location along Whitmore Way. In addition to this, two officers will be stationed outside at all times.

This should not disrupt the children’s learning in any way as the activity will last no longer than 30 minutes per group and provides a great opportunity to work alongside officers gaining valuable experience.

If you do not wish your child to participate in this activity could you please indicate on the consent form and alternative arrangements will be put in place.
