

We have finally come to the end of another school year! Words to not describe how proud I am to be the Headteacher of this school. The children, staff, parents and Governors are amazing people and have given me and the school so much support over these last 3 years. We have made lots of progress during this time and will continue to do so as we aspire to be an Outstanding school.

The year 6 children had an amazing time at their prom last Thursday and enjoyed their end of year assembly to parents. There were lots of tears of joy and sadness. We all wish them the very best of luck for their future

On Monday we took 42 children on our 100% attendance trip to the cinema to see The Lion King. We had a really good time and as normal the children's behaviour was impeccable.

Today we say goodbye to Mrs James, Mrs Garib-Penna (Speech and Language therapist) and Mr Hayes. We wish them the best of luck for their future, we will be keeping in touch with Mr Hayes to share his new adventure playing professional basketball in Italy. We also wish Mrs Matthewman the best of luck as we await news of the new arrival.

A reminder that we will be charging £1 per week, per after school club in September, this enables us to run more clubs across the school. This will be set up on Agora during the first week back of the new term.

Wishing you all a lovely summer break.

Mrs N Kemp
Headteacher

Diary Dates:
