

What a sporty week we've had! KS1 Sports Day was thoroughly enjoyable, it was lovely to see the team spirit from both the children, staff and parents. It was lovely to see so many families supporting the school. Thank-you to Mr Boulden for organising another fun filled event. We are looking forward to KS1 Sports Afternoon on Monday, starting at 1.30.

Year 6 writing competition

On Monday 26th June, ourselves (Scarlett and Emma K) , Emma W, Dora, Dionne, Luke, Dylan and Aymen set off to the Willows primary school to take part in the first EVER English writing competition. We only had nine school hours to research, write and rehearse a play script with only the help of only one teacher – Mrs Hunt- also we had to keep to the title Time of Change.

The first day of the preparation started with the main ideas such as: travelling back in time to change SATs results (which we used), going back in time to change a bad day; and finally an adult going back in time to change how they were in school in order to get a better job. We then started to go on to pull all our ideas together like writing scenes; casting; finalizing; props; sound effects and backgrounds. For a week, we rehearsed - day on day - so it was perfect.

On the day of the competition, we started by walking to the Willows primary. After a small break it was the competition. The competition started with Merrylands' performance, which was about World War 2 and how it affected their family, then it was the Willows' turn, which was about bullying and the bully changing through the years and then it was ours. The judges of the competition were: the head teachers of all the competing schools, the chair of the trust and the CEO of the academy. After we performed, we went into the playground and the tension built up. Then we returned to the hall, to find out we had won! :D
