

Well it has been another hot and and busy week at Whitmore and only 2 more weeks until this academic year is over.

Children in Key Stage 2 enjoyed their sports day on Monday and selected children represented the school on Tuesday at the annual District Sports held at Basildon Sporting Village. All children thoroughly enjoyed themselves and showed great sportsmanship and fantastic behaviour. Well Done!

The new uniform pricelist is now available with just a couple of items prices to be confirmed. The new supplier is called Red Oak Roller, they are a local company based on Burnt Mills Industrial estate. You can order through the school, online with them direct and also visit them to purchase. The website address is [www.redoak-schooluniform.co.uk](http://www.redoak-schooluniform.co.uk) and the address is Red Oak Roller, 4 Buckwins Square, Burnt Mills Industrial Estate, Basildon, Essex SS13 1BJ. We would ask that you do not order uniform via Tesco at the moment as we are still in the process of changing the logo with them. We will advise you when this has been completed.

Our year 6 children have been on their residential this week and they have had a fantastic time, more details will follow on next weeks newsletter. If you want to see some of the photos please follow the school on Twitter at WhitmorePrimar1, where school updates and event photos are posted.

I hope you have a lovely weekend

After a long morning of setting up the equipment, Sports Day went ahead on Monday afternoon. All of the children really pushed themselves hard and work together as a team in every event. The Sports Day was enjoyed by children, parents and all staff, and in the end the victory went to the white team. Well done to every child for playing your part for your team.

**Districts Sports**

Children from Year 3 to 6 went to Basildon Sporting Village on Tuesday, for the District Sports. They competed against many other school across many events. All of the children showed determination, perseverance, sportsmanship all day and their behaviour was also impeccable.

I was so impressed with every single one of them and it was noticed by other schools just how well our children performed and behaved.
