Mrs Preedy

Miss Davies

Miss Seels

# Snack Time

- Children can choose milk or water
- We offer a variety of fruit and healthy snacks and encourage children to make choices
- Our snack time is a social time, where children can share experiences from home and enjoy listening to others.

# Newsletters

We share useful information with our families through our newsletters, usually every half-term. These will explain the exciting things that the children will be learning in the nursery!

# Book Bags

Please can children bring in a book bag, as they will be taking books home to share with you.

# Clothes

- Please can all clothes, especially coats and jumpers be named!
- Sometimes children's clothes will get messy and this shows they are enjoying lots of wonderful activities.
- Please can children bring in a bag of spare clothes.
- Please can children bring in named wellies.

# Tapestry

- We use a programme called Tapestry which is an online learning journey to record children's activities and progress.
- Parents and families can access their child's learning journal and also add activities that they do at home.
- We can help you to log on if you are having any difficulties.
- Please talk to us, we are here to help!

# Class DoJo

- We use a behaviour system across the school called Class DoJo
- Children earn DoJo points for good behaviour and we celebrate these at the end of each session.

# Thank you!

Thank you for meeting with us today, we are all looking forward to a wonderful year working with you and your children!
