AOB – concerns raised by class mates and future topics pupils want to discuss

- Making lunch longer
- School council badges have been reordered and should be here quickly
- Match Attacks only at breakfast club – then given to teacher (tin with name on)
- Hall should be quieter at lunchtime – calming music, no shouting, film on the projector and traffic lights which make a noise when noise gets too loud
- CCTV in the playground because of people lying about things that have happened.
- Concerns that MDAs don't act on problems
- Secret Santa in class
- Different greeting at the start of assembly
- Guards to stop children trying to leave school
- Different music for coming in and out of assembly
- Water fountain in KS2
