

Present: Mrs Hunt, KS2 school councillors, Sunflower class school councillors

Read through minutes from previous meeting and actions

Feedback from recent menu changes and feedback regarding meals in general

Children would like:

- more pineapple in the salad bowl
- to be able to take 2 sachets of sauce
- sweet potato chips to be included within the menu
- a greater choice range of sauces e.g. salad cream
- different flavours of yoghurt (currently only strawberry available)
- little sachets of salt
- chips to be warmer
- stronger squash

Actions: Mrs Hunt to feedback to Mrs Jeeves and come back with responses

Pupil Voice and School Council Logo

- Logo designs so far collected
- Monday is the absolute deadline
- There will be a Pupil voice meeting at Whitmore followed by a tour of the school on the afternoon of 30th January: Mr Tobin; the Head Boys and Head Girls from The Willows and Merrylands and members of staff who run the school councils in Merrylands and Willows will all be coming round. Ambassadors need to be ready to greet us as most of them did not when Mrs Hunt brought round some visitors from another school earlier in the week.

Actions –

- **Any outstanding logos to be given to Mrs Hunt by Monday.**
- **Mrs Hunt to organise logos being scanned into the computer so a final design can be agreed at the next meeting**
- **School councillors to feedback to class about visit on 30th January and that ambassadors need to be prepared to greet them.**

AOB – concerns raised by class mates and future topics pupils want to discuss

- Want water fountain outside in KS2 as some adults do not allow pupils to go in and get a drink
- Change the smell in the boy's toilets (e.g. air freshener) as the smell can sometimes impact on year 6 corridor
- Want more toilet paper
- Current friendship stop is tatty and chipped – needs to be made more special
- Want trampoline and swing set on the playground
- Want equipment out for break
- Currently not able to use stage in KS2 playground as there is not an adult to supervise that area
- Astroturf requested so a larger area can be used in ban weather
- Would like to use the fish pond area
- Want more equipment outside - Mrs Hunt explained that new lunchtime equipment has been ordered but it is important that children look after it as new equipment is often bought but is quickly lost or broken.
- Want to be allowed to bring in Pokemon cards and Match Attacks for TOPs time
- Children have commented on some areas that look like they need painting and fixing/mending – want the school/building to look nice

Actions: Mrs Hunt to take ideas/requests to the Senior Leadership Team (SLT) along with the requests from the last meeting and will report back once there are responses.
