

24th March 2023

Dear Parent/Carer,

Following Mrs Kemp's letter last Friday, I would like to take this opportunity to introduce myself as the new Head of School at Whitmore Primary School. I am delighted to be joining the community here, and I am eager to get to know you and your children.

I bring with me experience having worked as a class teacher, Assistant Headteacher and Deputy Headteacher at various schools across Essex. My educational philosophy is centred around creating a warm and nurturing environment in which children can thrive academically, socially and emotionally.

I firmly believe that strong partnership between parents and school is essential to enable children to be successful and I am committed to working closely with you to ensure that your child receives the very best education possible. My door is always open and I can usually be found, come rain or shine, on the gate in the mornings.

Next week, I will begin getting to know the children, the parents and all of the staff within the school. This will provide me with the opportunity to find out more about all of the fantastic things about Whitmore Primary School.

I very much look forward to greeting you and your child at the school gates some mornings next week and wish you a great weekend.

Yours sincerely

R Wade
