

24th April 2023

Dear Parents/Carers,

Because the children have been working very hard in preparation for their SATs, we have decided to reward them with a trip to Chessington World of Adventures on Monday 22nd May.

This trip is a reward for the children's hard work and dedication throughout the year so far; the school is part funding this trip and are asking for a contribution towards the cost of £10 per child.

Your child will need to bring a packed lunch, (if your child is entitled to Free School Meals please advise the office if you would like a lunch provided as packed lunches will not be supplied automatically) and wear comfortable clothes. We will be outside no matter the weather, so please ensure that your child is wearing appropriate clothing and footwear.

In order to maximise our time at Chessington, your child will need to get to school at 8am on Monday 22nd May. We hope to return to school at approximately 6 pm. Due to traffic, this time is likely to change and we will keep you updated with our estimated time of arrival via the school's text message system. If you are not sure if we have an up to date contact number for you, please check with the school office.

To give permission and pay for your child to go on this trip, please use the school's Pay360 system. We need to give Chessington final numbers by 10th May, so please ensure that you give permission by this date or we will be unable to take your child.

Thank you for your continued support,

Year 6 team
