

Dear Parents / Carers,

In order to maintain the motivation of the year six children this year, we are hoping to have a reward trip during the second autumn half term. In order to attend the reward trip this term, children need to meet the following criteria:

- complete and hand in their homework on time every week (homework completion will be monitored by your child's class teacher, and homework club is at Tuesday lunchtime if your child would like help)
- attend booster or tutoring sessions (if they have been offered them)
- read regularly at home at least three times a week every week, and record this in their reading planner (independently or to an adult)
- have attendance of above 90% over the course of the half term
- not receive any internal or external suspensions during the half term
- maintain good learning behaviour in class throughout the half term (children need to score an average of five carrots per day they are at school)

If you would like to discuss any aspect of our reward trip this half term, please do not hesitate to contact your child's teacher. We do understand that exceptional circumstances may arise, so please talk to us if you need to. Please understand that attendance on the trip is at the class teacher's discretion.

Thank you for your continued support,

The Year 6 Team
