Reading Books – Reception, Year 1 & 2

Dear Parent/Carer

This week, your child will be bringing a book home from school with them. At this early stage of their reading, the purpose of this book is for your child's enjoyment and not for them to read themselves. To give your child the best possible start to their journey to becoming a reader, please take the time to share and read the book to your child to help encourage them to develop a love of reading.

Over the next week, we will be completing phonics assessments in school to enable us to ensure that your child is given the correct level of book that they can bring home and read. These books will then come home with your child so that they can practise their decoding skills and work towards reading fluently. In addition to this book, they will also bring home a book for enjoyment.

If you have any questions about the reading books, please speak to your child's class teacher.

Yours sincerely,

R Wade
